## **Disaster & Famine Relief**

As we approach Christ's return, the Bible tells us that crisis events will increase around the world. Emergency Management officials, who have tracked disasters for over 50 years confirm that tornadoes are touching down with greater impact, hurricanes are moving at greater speeds and mass shootings continue to affect our communities on a regular basis.

The Seventh-day Adventist Church serves those affected by these types of devastating events. Adventist Community Services (ACS) responds throughout the North American Division. Volunteers open collection centers to support those whose homes have been destroyed, support communities that have been struck by senseless shootings with Emotional Spiritual Care teams, and deliver supplies to areas of greatest need in the aftermath of a disaster.

Your offering this Sabbath will ensure ACS is able to prepare, respond, and work in recovery efforts that take place within the North American Division, which includes the United States, Canada, Bermuda, Guam, and Micronesia. While ACS is responsible for these areas, the Seventh-day Adventist Church has not forgotten the rest of the world and has another humanitarian organization that responds to events outside of the North American Division called ADRA (Adventist Development and Relief Association).

Please give this Sabbath to the disaster and famine relief offering, where your donation will support both ACS and ADRA. We look forward to continuing our work to serve communities in Christ's name.
